Authority to Verify and Update Your Account

☐ By ticking this box, you authorise Computershare to verify your information against any third party database where required for security purposes and to update your account on your behalf using the information provided above. You acknowledge that Computershare might be unable to verify the authenticity of electronic instructions and therefore you hereby indemnify Computershare against any loss or damage incurred as a result of acting upon such instructions. You further acknowledge that it is your responsibility as the account holder to inform Computershare immediately and not later than a period of 1 month of any change made to the registered email address.
