

FICA Requirements

Individual Investors

To FICA verify a Custody and Settlement Account for an individual investor, you will need to provide us with specific supporting documentation.

Required Documentation

- > a certified copy of your identity document;
- > a certified copy of your service bill e.g. rates account, electricity bill or telephone bill bearing your name and current residential address (or erf or stand number and suburb) dated within the preceding three months in order to verify your physical address details;
- > a certified copy of a document issued by SARS to verify your tax number (where one has been issued). If you do not have a tax number, please confirm this in writing.
- > a certified copy of your bank statement (not an internet bank statement or cancelled cheque) to verify your bank account details. Alternatively, we will accept a signed and stamped letter from your bankers on a letterhead confirming your banking details.
 - > Please note that we may not accept third party banking details.
- > Details of your non-controlled account at a South African Stockbroker where you have elected to trade through your own broker and not through Computershare's Deal Routing Service. If you do not have a broker, please confirm in writing that you will appoint one for trading purposes when necessary and that Computershare is not liable for trading on your behalf.
- > Completed and signed Dividends Tax Beneficial Owner Declaration of Status form.
- > Completed and signed FATCA form, if applicable.
- > If you have not already provided us with a signed Custody and Settlement Agreement (unless your shares are held in Sanlam's or Sasol's Issuer Sponsored Nominee), please include this with the documentation.
